

STUDENT PARKING INFORMATION

At this time we are accepting 2017-2018 parking registrations for students who will be seniors and juniors in August 2017. If enough parking spots remain we will open parking for sophomores by October 1st, an announcement will be made.

- Registration forms are available outside AP office 627. We accept completed packets before & after school until 2:45. This includes the completed form, copy of current driver's license, and copy of current insurance showing the student as the insured driver of the car. This will reserve a parking spot. Parking will close June 1, 2017.
- Payment cannot be made until after August 1, 2017. Once you have made the payment bring a copy of the receipt to the office to receive your parking tag.
- If you are not able to turn the registration packet in by June 1, 2017, you will be able to turn it in beginning August 8, 2017 from 9:00 to 11:00, closed on Fridays. After August 1st the packet must include a copy of the paid receipt.
- Parking spots are assigned on a first come basis.
- If you have any questions please call Carrie Davis 832-484-4082, crdavis@kleinisd.net. Please note that I will not be here through the summer. Parking will open again on August 8, 2017 at 9:00.
