

Thank you for your interest in dual credit. The next step for you is the testing. Read below. Bring results to dual credit counselor in #127C.

Pursuant to **Texas Administrative Code 4.85**, a high school student is eligible to enroll in dual credit courses if the student: Demonstrates college readiness by achieving the minimum passing standard under the provisions of the Texas Success Initiative (TSI):

A high school student is **exempt** from taking TSI Assessment and eligible for Dual Credit enrollment by meeting one of the requirements using ACT/SAT scores (see below). Submit copy of ACT/SAT to dual credit counselor in #127C.

If you need to take the TSI test. You can go to any of the Lone Star campuses but I recommend University Park (UP). Students can go to LSC-UP Campus Student Services (suite 200). The testing center is open on Saturdays. Visit the LSC website (www.lonestar.edu) for more information.

- You will need your ID to test.
- There is **no fee** for **first time** dual credit students to take the TSI. You will have to pay for retakes.
- You will need to complete the pre-assessment activity by logging into your LSC account (www.lonestar.edu).
- You can prepare for the test by visiting the school website <http://kleinhs.kleinisd.net/default.aspx?name=counsel.dualcredit> and under TSI Assessment click on Other Links to Prepare for TSI.

You will get your results immediately after the test; you **need to bring your test results to KHS dual credit counselor in #127C**. If they show you are college ready then you will be eligible to enroll in the dual credit course. If they do not show college readiness, you will need to retake the TSI. You will have to pay for TSI retakes.
