NOTE: Students should visit with their advisors to learn about other campus options such as refresher courses and non-course based options. When placing students into developmental education courses, consider the highest course placement based on both TSI and ABE scores.

SAT, ACT, STAAR, TAKS and TSI scores are valid for 5 years. TAAS scores are valid for 3 years.

Courses with an * indicate limited availability; check campus course offerings.

Courses with ** indicate terminal developmental education courses (Math 0308 or 0309) that a student must take in order to be designated TSI complete for the non-algebraic pathway and thus eligible to enroll in Math 1332 or 1342 (unless a student qualifies for approved TSI exemptions).

Courses with * indicate the terminal developmental education course (Math 0310) that a student must take in order to be designated TSI complete for the algebraic pathway and thus eligible to enroll in Math 1314, 1324, 1332 or 1342 (unless a student qualifies for approved TSI exemptions).**

Courses with ** Students wishing to place into Math 2414 and Math 2415 should contact the Mathematics Department Chair at their campus to request a departmental placement exam**
